

CERTIFICATE OF COMPLIANCE

Glass Dropper Bottle

Heartlandvapes LLC certifies that a bracketing test for the Glass Dropper Bottle in two sizes, 15 ml and 60 ml, was completed and evaluated by a third party laboratory using the Consumer Product Safety Commission's protocol and standards for Poison Prevention Packaging as required by the Code of Federal Regulations (CFR) Title 16, Part 1700 for senior adult use with resealing effectiveness. Based on the bracketing test results, similar Glass Dropper Bottles from this manufacturer, from identical material, and in sizes falling between the sizes tested of 15 ml and 60 ml, are expected to have similar effectiveness results.

Tread Global, Inc. found the results of the study indicate that the test unit, the Glass Dropper Bottle in two sizes, 15 ml and 60 ml, fulfills the requirements for senior adult use with resealing effectiveness as required by the current Code of Federal Regulations (CFR) Title 16, Part 1700 for Poison Prevention Packaging.
